MINISTRY-TO-MEN  
FLORIDA REGION

#### A COMMON MISSION

As MEN, we share a common mission to advance the Kingdom of God through the ministry of the local church. But as you know, there are challenges that we as men face. But by God's grace, we know what happens when Jesus Christ transforms a life, and we are reminded that our calling, while sometimes hard, is worth the price.

Imagine how powerfully God could work through us collectively as we stay committed to learning from each other and discovering how best to build biblically functioning churches, families and communities.
